

Mountainside Library 3D Printer Policy

The Library's 3D Printer is available for making three-dimensional plastic objects using a design that is uploaded from a digital computer file. All Mountainside computer and network policies apply to the use of the 3D Printer.

I. The Library's 3D printer may be used only for lawful purposes. The public will not be permitted to use the printer to create material that is:

A. Prohibited by local, state, or federal law.

B. Unsafe, harmful, dangerous or poses an immediate threat to the well-being of others.

C. Obscene or otherwise inappropriate for the library environment.

D. In violation of another's intellectual property rights. Printers will not be used to reproduce material that is subject to copyright, patent or trademark protection.

(It is the responsibility of the patron to verify the eligibility of the item to be printed.)

II. Mountainside Library reserves the right to refuse any 3D print request.

III. Only designated library staff will have hands-on access to the 3D printer.

IV. The library is not responsible for the subsequent safety of any item made with the 3D printer.

V. The posted price structure may be adjusted to cover material cost fluctuations.

VI. Requests will be honored on a first come, first served basis and as time allows. Priority will be given to Mountainside Library cardholders.

VII. Print time is limited to no more than 3 hours.

Maximum size for a print is 225 x 230 x 205 mm.

VIII. Items that are not picked up within 7 days will become the property of the Mountainside Library.

VIX. The library does not guarantee a successful print.. Unless the print fails to finish, the cost of the completed print, regardless of quality, will still be charged.

VX. Price: \$2.00 each + \$.05 per gram over 20 grams (items will be weighed after printing)
